Our History

Government Engineering College, West Champaran founded by Government of Bihar under "Saat Nischaya" with the motive of facilitating the contribution of youth towards economic and social betterment, through development of higher education and strengthening the supply side of skilled workers in the state. It was established in the year 2019 under Department of Science and Technology, Bihar in West Champaran district of Bihar. College is affiliated with Bihar Engineering University, Patna and approved by All India Council for Technical Education.

College's proposed building which is located in Kumar Bagh that is 7 KM away from district head quarter Bettiah. It is situated just opposite to Kumarbagh Station.

" Innovation is the ability to see change as an opportunity - not a threat"

Steve Jobs

About us

OUR VISION

"To become a value based technical institute by nurturing students through academic excellence and generating valuable human resource for industry and society."

OUR MISSION

- **To impart quality education in engineering and emerging disciplines to perform challenging engineering and managerial jobs in industry**
- **To encourage students and faculty members to indulge and develop sustainable research solutions for global benefit.**
- **To develop innovative and effective teaching and learning methods to inspire young minds to be familiar with latest technologies.**
- **To inculcate and foster spirit of entrepreneurship and innovation with ethics & social value**

From The Principal's Desk

It gives me immense pleasure to give a warm and affectionate welcome to all the students who aspire to be a part of the intellectual fraternity at Government Engineering College West Champaran. The college, though in its infancy stage, is leading towards getting distinction on academic prospects through steady hard work and dedication. Being established in Champaran, the Karmbhoomi of Mahatma Gandhi, college is committed to generate the most conducive environment for creation and diffusion of knowledge guided by ground-breaking thinking, scientific enquiry, human values and sustainable life on the blue planet.

Apart from being actively engaged in the consistent roles of a dissemination and application of knowledge, college has imprinted out a roadmap for a long journey into territories of science and technology. We have initiated our concerted efforts to provide all possible well professional development of our students. Based on skill development and capacity building, we aim at preparing accountable, industrious, and caring citizens ready to meet the challenges of global society without, however, drifting from the great cultural heritage of Bihar. The college aims to streamline its procedures and mechanisms to boost all round competence in performance and service delivery as well as inculcating a healthy work culture among students.

As the principal of the college, I wish you all success in your future endeavours. During your stay in the college, your talent will be honed and you will be exposed to cutting edge and competitive environments.

- Prof. (Dr.) Vijay Kumar Gupta

From The Professor Incharge

Our aim is to place the maximum number of students through the campus & off campus interviews conducted by the companies. We assist the students in carrier planning and employment strategies and indulge the students to face competitive examination as well as interviews through training programs viz, aptitude tests, group discussions, mock interviews etc. We motivate the students to develop technical knowledge & soft skills in terms of goal setting and also aspire for higher studies in the directions to take competitive exams such as CAT, GATE, IES, GRE, UPSC etc. We prepare the students to meet the industries recruitment process and invites the reputed companies to the college for organizing campus placement session.

- Prof. Saket Kumar

Why GEC WC

Academic Excellence

The distinctive pedagogy and unique blend of faculty and contemporary course contents ensures that GEC WC graduates are capable of handling any adversity.

Practical Exposure

GEC WC believes that an individual's development is not merely restricted to academics. We encourage students to apply the theoretical knowledge they have learned to real-life situations. Going beyond the course curriculum enhances the skills and knowledge of the students which helps them to grow in industry and work efficiently.

We provide such exposures by means of Summer Internship, Workshops, Industry Visits, Live Programs and Outreach Activities.

Selection Process

Admission in GEC West Champaran for four years B.Tech. course is made through Joint Entrance Examination (JEE Mains) conducted by National Testing Agency (NTA) conducted at national level.

ACADEMIC PROGRAMS

Admission in the college for four years Bachelor of Technology course is made through UGEAC conducted by Bihar Combined Entrance Competitive Examination Board. To apply for UGEAC, appearing in JEE Main of that admission year is required along with other eligibility criteria.

Training & Placement cell

The Training and Placement Cell of a college is a department that focuses on facilitating the employment and career development of students. It acts as an intermediary between students and potential employers, providing assistance and support to students in their job search process. Here's some information about the Training and Placement Cell:

1. Job Placement
2. Industry Collaboration
3. Skill Development
4. Career Guidance
5. Internship Programs
6. Alumni Network
7. Student Database Management
8. Employer Interaction

नौकरी मिली • बच्चों की उपलब्धि से महाविद्यालय प्रशासन उत्साहित, शत-प्रतिशत प्लेसमेंट का होगा प्रयास गवर्नमेंट अभियंत्रण महाविद्यालय के 5 छात्रों का हुआ कैंपस प्लेसमेंट, मिलेगा 10 लाख का सालाना पैकेज, जताई प्रसन्नता

भाबरपुर न्यू | बेरिहा/चमपारन

जिले में संचालित राज्यवैय अभियंत्रण महाविद्यालय कुमारबाग के नाम एक बार फिर से बड़ी उपलब्धि जुड़ी है। यहाँ फाइनल इयर में अध्ययनरत पाँच छात्र छात्राओं का देश की जानीमानी कंपनियों में कैम्पस प्लेसमेंट हुआ है। परिचाय चंपारण के कुमारबाग में महाविद्यालय स्थापना के एक वर्ष के अंदर मिली यह उपलब्धि जिले में चर्चा का विषय बनी हुई है। हालाँकि यह

पाँच छात्रों/छात्राओं का चयन किया गया। ज़ी के शीफ्ट अध्यक्ष डॉ सुधीर कुमार खट्टर ने बताया कि विहार में इंजीनियरिंग कॉलेज जब काम हुआ करता थे तो छात्र देश के दूसरे राज्यों में 10 लाख रुपए से अधिक फीस देने के बावजूद 10 लाख का प्लेसमेंट नहीं पाते थे। लेकिन अब बदली परिस्थिति व सरकार की दूरगामी सोच की वजह से राज्य के प्रत्येक जिले में जाने अभियंत्रण महाविद्यालय से यहां एक ओर छात्रों को बेहतर पैकेज के साथ नौकरियाँ

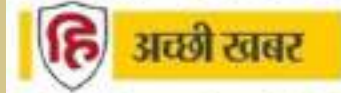

सिविल व इलेक्ट्रिकल इंजीनियरिंग के हैं सभी छात्र-छात्राएं
